PRELIMINARY AMENDMENT

S I R:

In response to the Final Rejection, dated July 8, 1999, the response time which has been extended for three months by petition, please enter this Preliminary Amendment in support of the patentability of claims 1-6 and 10-12 and 15-16 pending in the continuation application filed contemporaneously herewith:

IN THE CLAIMS:

Please cancel claims 7-8 and 13-14 and amend claims 1 and 10 as follows:

sub D' 1. (Thrice Amended) A method of generating power without the combustion of gas which utilizes a gas distribution network comprised of a [high pressure] gas reservoir delivery
